UNITED STATES OF AMERICA

THOMAS G. BRUTON  
CLERK, U.S. DISTRICT COURT

Motion for Court Orders

I Cherron Marie Phillips, herein as complainant move the court for orders regarding the Petition for Bill for An Accounting submitted to the court on April 12, 2017.

As of June 23, 2017, complainant has not received any orders from this court denying her petition for Bill of An Accounting per Local Rule 54.1. The petition along with Federal Rule Civ. Proc. 54(d) and this courts Local Rule 54.1 makes clear the accounting information Phillips is seeking which is not exempt from disclosure. The Local Rule 54.1 states by what authority it shall be provided. This is not an extraneous request in this case because the rule states "within 30days of the entry of a judgement allowing cost the prevailing party shall file a bill of cost with the clear and serve a copy of the bill on each adverse party." Phillips has not been provided this information by the court and is entitled to it.

Phillips now moves this court for orders to issue the Bill for An Accounting as stated by the petition and by the Federal Rule Civ.Proc.54(d), Loc R 54.1. In addition to this rule, a party must, without awaiting a discovery request, must provide a computation of each category of damages claimed by the diclosing party- who must make available for inspection and copying as under Rule 34 the

documents or other evidentiary material on which computation is based including the nature of injuries suffered.
